

**PHYTOBIOPHYSICS®** 

# Childhood Harmony

*Combinations of Flower Formulas especially formulated to support your child during the early years*

**PHYTOBIOPHYSICS® CH FLOWER FORMULAS**  
**Childhood Harmony**

Each CH flower formula is made from the essence of flowers and contains no chemical substance. The flower formulas have been combined to create a resonance that offers your child maximum support during times of vulnerability. The childhood harmony box is non-medical and acts only as a first line of defence.
